

# Acceleration and Transformation

## Re-writing the case for impact investing in nature-based solutions at scale

### UNECE Regional Forum on Sustainable Development 2025

 **Thursday, 3 April 2025**  
 **08:30 - 09:45**  
 **Palais des Nations**  
**H Building, Room H.307-2**  
**\*Limited space in person\***  
 **Online**

Join us to explore next-generation Public-Private Partnerships (PPPs) for Ukraine's rehabilitation and reconstruction.

- **Expert Speakers:** Learn from leaders with years of experience in economics, finance, and large-scale implementation who are bridging theory and practice.
- **Focus on Action:** Discover practical, nature-based solutions for sustainable growth and peace through strategies for landscape restoration.
- **Systems-Level Approach:** We're prototyping a new economic model for lasting impact based on successful collaborations across Europe and beyond.
- **Collaborative Dialogue:** Be part of shaping the future of Ukraine.

### Lead Organiser and Moderator

Ms., Beris Gwynne, Co-Founder of the Geneva Rethinking Finance Collaborative
